

PATEL KEVIN

FRONTEND DEVELOPER (React.js - Fresher)

+91 8153987851

Rundhi Faliya, Olpad

kp41960@gmail.com

PROFESSIONAL SUMMARY

Motivated and detail-oriented **Frontend Developer** with hands-on experience in building responsive web applications using **React.js, JavaScript (ES6+), HTML5, CSS3, and Bootstrap 5**. Skilled in creating modern UI, integrating REST APIs, and deploying apps on GitHub Pages. Looking for an entry-level **React.js / Frontend Developer** role to apply skills and grow with a dynamic organization.

SKILL

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3
Frameworks / Libraries: Bootstrap 5, Framer Motion
State Management: React Hooks (useState, useEffect)
Other: REST API Integration, Responsive Web Design
Tools: VS Code, GitHub, Chrome DevTools
Design Tools: Canva, Photoshop, Illustrator

PROJECT

Personal Portfolio Website — React.js, Bootstrap 5, Responsive Design

- Built a **single-page responsive portfolio** using React.js with Bootstrap 5 grid system.
- Integrated **React Router** for smooth navigation (Home, About, Skills, Projects, Contact).
- Added **animations** with CSS & Framer Motion for interactive UI.
- Applied **lazy loading & code splitting** to optimize performance.
- Deployed on Github Pages For public access.
- Live Link** : <https://kevinpatel0730.github.io/my-profile/>

News App – React.js, REST API

- Developed a **news web app** using React.js & News API.
- Fetches and displays top headlines dynamically using **axios**.
- Added responsive design with Bootstrap for better UI.
- Deployed on GitHub Pages for public access.

TRAINING & EXPERIENCE

Inspire Multimedia Education – Frontend Development Training (2024 – 2025)

- Learned and implemented Adobe Illustrator, Adobe Photoshop, Canva, Video Editing, **HTML, HTML5, CSS, CSS3, Sass-less, Media Query, JavaScript, JQuery, Bootstrap 5, React.js**.
- Built projects including **portfolio website, News app**, e-commerce landing page, and blog app.
- Practiced React Router, State Management (Hooks) & Performance Optimization techniques.
- Practiced deploying projects on **GitHub Pages**.
